Grape Stomping in Tuscany

Step and stomp back in time on this fun adventure. As part of one of our favorite tours of Tuscany, partake in a private pressing in the old-fashioned way – with a grape stomping!

Discover traditional wine-making methods during this complete wine tour in one of Italy's top producing regions!

Highlights of the Grape Stomping in Tuscany include:

- Visit a historic villa and estate vineyard
- Learn about the harvest process and discover how the grapes are turned into award-winning wine on a guided tour of the cellar
- Try your hand (or rather, foot) at the traditional pigeage method
- Partaking in a tradition that dates back to at least 3rd century CE with the first representations of grape stomping depicted at a Roman harvest party
- Enjoy a traditional lunch with a glass of wine served pool-side*
- You can even take a dip if you'd like to enjoy a swim in the pool, surrounded by stunning views.
